Riley

Everyone likes a squirt of cream on their Christmas puddings and Riley is no exception. It's just she can't do it in front of Grandma Riley while watching EastEnders. "My boyfriend and I are planning a food-fucking on our own on Christmas Day," the 22-year-old from Coventry giggles. "I'm going to be pudding – smeared in custard, trifle and cake, I'll sit on my boyfriend's cock and get rammed to kingdom come! Doesn't everyone get stuffed on Christmas Day?"

Bare CUPBoard

I had never been unfaithful until a drunken office party. I don't know what came over me, but these two guys led me to another floor, where they had a key to a stock cupboard.

Once inside, the lads and I were kissing and groping each other. My dress got unzipped, so I stepped out of it – it was a great thrill to

was about to be unfaithful for the first time, and with two guys to boot, but I didn't care! All I wanted was my hole drilled by these two studs!

I got down on all fours and slurped one dick into my mouth. A few seconds later I felt the second lad's cock line up at the entrance to my pussy, and then ram in! I was on a fucking cock-spit between these lads and I was loving it!

I bobbed my head up and down on the cock in my mouth with the ferocity of the

fucking from behind. That lad's thighs were slapping against my arse as he drove his cock in me, deeper and harder than I'd been drilled for years. I was already cumming before he reached for my clit with his fingers, and when he did I was there with a bang!

When I like a bloke I go for it, and my mate Ellie is the same, so it's a wonder we've only shared a man in bed once.

The lucky bloke was called Steve and we pulled him at a nightclub. I don't know who started flirting with him first, but he was loving the attention from the pair of us, and when Ellie asked him straight out if he was coming home with her, he said only if I was coming too.

It was so fucking sexy – I was lying in between his thighs, playing with his cock and balls, while Ellie was just straddling him, her tits shoved in his face, rubbing herself all over his body and leaving a mess of sticky juices all over his belly.

Next thing I knew, she was

backing down even further, her legs splayed wide, and I started wanking his cock against her moist slit and

crack. He was straining hard and she was moaning out loud as I teased the pair of them, making them wait before I finally fed his prick into her hole.

Even when they started fucking I didn't leave him alone – I was fondling his balls as he sank his prick in deep. And obviously it was

"his face up your twat". I told her I'd fancied copping a feel of her, simple as that.

I got to do even more when she rode Steve to a powerful climax. She got off his cock and stretched out on the bed, moaning that she hadn't quite got there herself before he'd shot his wad up her twat. She was fingering herself, playing with the spunk oozing out of her fanny, and I hauled myself up off Steve's face to give her a licking.

I sucked and lapped away at her for what must have been ages, gulping down Steve's creamy mess as her

I've often wondered how it feels for a bloke to have a woman cum around his shaft, and the way Ellie clenches when she goes off like a rocket must be hard enough to have set off a few spunk blasts.

I soon lost my focus and I reached back to frig my own clit as Steve fucked me. He was grasping my arse tight, squeezing and shoving my

such a turn-on to see two people screwing this close up.

I wanted in on the fun myself, though, so I moved up the bed and straddled Steve's face, letting him take a couple of little licks at my twat first, before sinking down to grind away on his mouth. Ellie was bouncing around on his prick, her tits jiggling about like mad, so I cupped them in my hands and leaned forward to snog the face off her.

She teased me, asking why I was bothering to do this when Steve wouldn't be able to see us with, as she put it,

I wasn't leaving Steve out – as soon as he could handle having his cock touched again after cumming, he grabbed my hand and, with his own slapped over it, started using it to wank himself. I loved the feel of him hardening against my palm, his skin still moist and sticky from Ellie's fuck cream.

When I couldn't get him any harder, he got in behind me and started wanking against my slit, frustrating me like I'd done to him and Ellie – I was just dying to feel that lovely fat prick inside me. He couldn't keep that up for long, though – I didn't have to ask

Dear Julia

I've just finished vol 33 no 11 and had to write in about the stunning Roxi Lloyd. Those amazing tits, that dirty glint in her eye and of course that juicy pussy you'd never get tired of licking. She deserves, no, demands, a double page to display that perfect figure!

Dear Julia

Seeing those two voluptuous girls Taylor and Vicki (vol 33 no 12) dicking about in a ball pool had me rolling my own orbs around in my palm, then glazing the pages with their contents. Dirty birds obviously having a wicked laugh – what Escort is all about!

Dear Julia

I enjoyed looking at Australian model Sky (vol 33 no 12) – especially her down under. Just perfect! More filthy antipodean barmaids please!

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Stripper Courtney Morgan bares all (quite literally) about working in one of the UK's biggest lap dancing clubs

Courtney: Just hangin'

I like to be the centre of attention. Whenever I used to go out clubbing I'd always find myself dancing on the podiums or bar. I liked to be sexy, so making the move into strip clubs and erotic dancing came naturally to me.

Over all I've been stripping for four and a half years, with a short break in the middle. When I went to my audition at Spearmint Rhino I'd only been back for a few months. I wanted to work there so badly – well, it's a globally renowned name – so decided that I wasn't going to leave without a "yes". Although nervous, I was going to get straight on that pole and shake my booty like there was no tomorrow! Suffice to say, I got the job.

Before stripping I didn't know how to pole dance. You can learn both on the job. A lot of what you pick up is from girls that have been working in clubs a lot longer. We'll share tips and if it's quiet then we'll spend time practising together.

Before doing a performance on stage, I like to be prepared, so as well as ideas from other girls, I also research You Tube videos of American pole and lap dancers and practice on my pole at home. I'm always keen to put in the work and hours to create a good stage show.

Performing on stage in the UK isn't like doing it in America where they throw money at you while you're up there. Over here money from lap dancing is made through private dances, so I look at my stage shows as a way to advertise what I do.

Lately I've been going down the burlesque route, especially with the private stag shows I do outside of the club. There's a chance to experiment with different ideas, like playing with hot wax and candles, or liquid latex, which I tried out recently. I'd pour it all over me and drip it over my boobs before slowly peeling it off to reveal my nipples. It certainly got the crowd going and the more into it they are, the sexier and more adventurous I become.

Big crowds are one thing

Something we'd all love to find down the back of our sofa

"In my sexy private dances for couples, it's often the wife who gets into it more"

and I love the attention from all those guys, but private dances are fun too. Most of my clients are men, but I dance for a lot of couples as well. Sometimes they'll have come in to spice up their love life. Interestingly, I find it's the wife or girlfriend that gets into it more, so I'll focus my attention on her.

Afterwards, some couples rush off home to relieve the sexual tension that I've helped build, but others will spend all night in the club, requesting dances from an array of girls – different hair, skin, boobs, bums – so they experience a bit of everything and really tap into that sexual energy.

As a lap dancer of course you want the person you're dancing for to be aroused. There are tell-tale signs – such as if a guy has to rearrange himself down there. There was one occasion when someone got a little bit too excited. To be fair it was his first time in a lap dancing bar and he can only have been about 19. I leaned in a little bit and my leg brushed his leg, which I realised was damp. I didn't react, I thought 'Fair enough' and actually felt quite proud. It's good to know you're doing a good job, no matter what your profession! It's nice to know I'm being sexy, looking good and doing the right things.

Sometimes Spearmint Rhino feels more like a night out than work, but then you get money at the end of it. There's a lot to love about my job. From getting ready with 100 other hot, naked women every night in the changing room, to free champagne, making men excited, or dinner with a regular client before a dance.

For me, the only way is up and one day I hope to have a big enough following that I can tour and headline at strip clubs around the UK, or even go and work in an American Spearmint Rhino. That would be amazing!

REAL WIFE SEX

Belle, Preston

My horny h

As soon as I met Nadia at work and started to see a fair bit of her, I knew my other half, Jack, would fancy the knickers off her. At first, I decided they should never meet, no matter what, or it would only end in tears.

But as my own girl-crush on her got more passionate, I fantasised about her taking his cock. Perhaps that was the only way I could make the leap to lesbian sex – to make it seem like I was lusting over Jack just as much as I was over her. Maybe I was more repressed than I thought!

One night, after a few drinks in our work local, I was showing her his picture

and told her she was his type. And we came up with this twisted idea of “honey-trapping” him – her chatting him up, then bringing him back home to hers where I’d be waiting. Not for a confrontation but

**His tongue left

a threesome. Just the thought of it had my mouth dry, my palms moist, and my pussy even wetter!

Turns out he was more faithful than I’d

expected. I got a text from Nadia, saying he was having fun flirting, but had made it clear he had a girlfriend. I told her to give me time to get there, then really throw herself at him. So I walked in to find her wrapped around him, and the poor sod almost shat himself!

A double whisky and an explanation soon calmed him down and while he sipped his drink, me and Nadia flirted and even snuck a little snog – my knickers were sodden with my juices by now. Then we went back to Nadia’s. By now all three of us were up for it and very horny.

Jack wanted to see more of the lezzie show, but I said I’d rather watch the two

of them. Nadia said fair play, this set-up was my doing so I should get what I wanted, so I sat on the bed as she writhed under him, still in her sexy undies.

He'd only stripped to the waist, but she got his trousers undone, and his cock was tenting the front of his boxers right out, looking like it would rip a hole in the fabric. He was sucking her through her bra, leaving wet patches and stiff, sticky-up nipples. And she was rubbing herself against him, desperate for him to give her cunt a bit of attention, but he made her wait.

In the end, he grabbed the front of her knickers and pulled them tight into her slit, sawing them against it. She bucked

so they slipped to one side, then moved his hand so his fingers found her hole, and she let out this really slutty-sounding sigh of pleasure.

I giggled – I couldn't help myself – and

**I was frigging off
as I watched them
screw wildly**

he said I should hear myself sometimes.

"Just shut up and fuck her," I told him, and we all used this "break" as an excuse to get totally naked.

Nadia handed me one of her dildos, so I could frig off while I watched them. It was a vibrating one but I left it switched off – I just wanted the feel of a big solid cock playing up against me, just like she'd be getting.

I saw some horny sights but weirdly, the one that really got to me was just before they started shagging, that "no going back" point, where Nadia lay back, pussy spread and opened up wide, and Jack knelt in between her legs, cock as hard as it ever got and ready to thrust up her, a gleam of pre-cum on his glans.

Tight fit

When my husband Mick and I did out our new place, the last thing we had sorted out was the kitchen. When we stood there looking at it, we both got the same idea – christening it before we'd even made a cup of tea there.

I was well up for that – and

white stilettos – Essex as fuck, but very sexy with it. I thought I'd leave the g-string off, but then decided to put it on, pulling it up so tight my pussy lips were pushed to either side of it and every step I took had it sawing against my clitoris.

Mick's eyes nearly popped out of his head when he saw me walk in – it had been so long since I'd dressed up for him like this. We normally just

showered off the dust and grime and went to bed naked. I wouldn't let him near me for a couple of minutes – I just put on a sexy dance show for him, hoping how I looked would imprint itself on his memory. I ended up sat on the work surface in the middle of the kitchen, which doubled as a table, first with my legs splayed on either side and pulling on the front of my G-string,

KELLY, BOLTON

HE PAINTED MY MOUTH WITH PRE-CUM LIKE LIPSTICK

told Mick to hang on while I slipped into something a bit sexier. With all the muck and dust from the workmen we'd been slobbering around in old tracksuits and T-shirts for months, but now the place was gleaming clean I could dress up a bit. I went through to the bedroom and changed into white stockings, suspenders and a matching bra – I just thought white suited the first time feeling of all this. I also put on high

my hips angled back so Mick could see the sticky-wet string stretched along my slit. Then I lay back with a come-and-get-me look.

Mick unzipped and strode towards me like a man on a mission, but I told him I wanted him stark bollock naked. He's got a sexy body and seeing him in his full glory would get me even wetter. And I couldn't resist nagging him about leaving his clothes on my nice new floor!

He grabbed my arms and slid me forward, so my arse was perched on the edge of the work surface, then he raised my legs right up so my feet were resting against his shoulders. He teased me, rubbing his cock head up and down my slit, and then put it inside me, thrusting in deep.

His little nickname for me is Minx, and I lived up to it, pulling my tits out over the top of my bra and reaching

down to scoop up pussy juices to rub into my nipples. Of course, no sooner did I get them well smeared than Mick sucked them clean again!

After a few minutes, Mick pulled out of my pussy and repositioned me on my back, then went around to my head and dangled his prick over my mouth. The pre-cum was dripping out of it, and he painted this on me like lipstick, then he had me sucking him properly, taking his prick in my mouth. He loves to spunk down my throat, but not this time. As soon as there was any danger of me sucking him to an orgasm, he pulled out again.

"I want to do this properly and fuck you in every hole," he whispered in my ear, and I wasn't going to deny him the pleasure. I bent forward over the worktop, the granite cold against my exposed nipples, and

reached back to spread my cheeks for him.

He grabbed the bottle of olive oil we'd bought that day and poured a load of it over my crack, using his fingers to work it around and inside my tight brown hole. Then he slathered even more of it on his cock.

It was a tight fit – it always is when we do anal – but I finally took Mick's entire length inside my arse, right down to his balls. He started pumping in and out, and I clenched as the sensation started to build. Finally, I felt his prick begin to jerk and the next thing I knew, spunk was flooding into my arse.

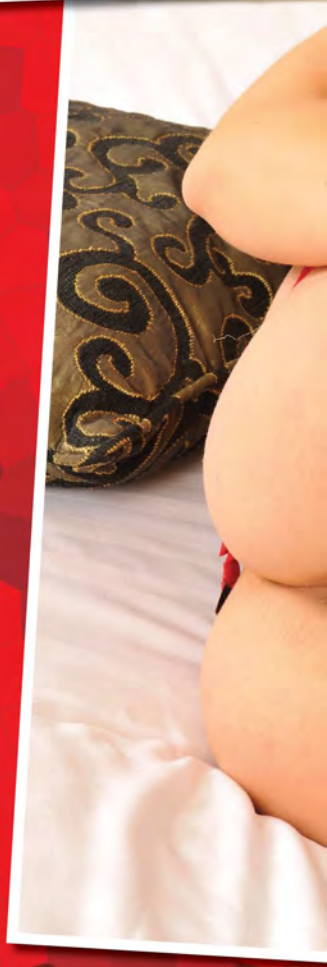

Fair play to Mick, he cleaned up all the mess, so the kitchen looked perfect again when he took a few naughty snaps of me. Too bad he's only done the washing up twice since then, but that's not what I married him for!

Kelly, Bolton.

"I saw three slits come sailing by, come sailing by, come sailing by. I saw three slits come sailing by, on Christmas Day in the morning!" Can you tell that we are in the pub, phoning this copy in on a bleak yet drunken mid-December afternoon in a space-filling, bollocking-avoiding doomed venture? No? Good. Then we will continue with a brief bio of our three bubble-buttred and boobed babes. Sarrah, Andi and Alisha's boobs have a combined bust measurement of 123 double Z. The combined effect of all that is sure to make all be white!

SEX WITH ALL THE STRINGS

Daisy Blade searches for the perfect position to get her gushing...

Every now and then I feel inclined to peruse the glossy mags' features, just to get a grasp on what bullshit is currently being spouted in regards to how women are supposed to please their man – and despair.

The one I read this month was all about exciting new sex positions which they say once you've tried you'll never go back to missionary or doggy-style and he will love you more for wanting to "sexperiment".

Playing devil's advocate, I decided that Mr B and I were going to try some of these "mind-blowing" positions. At the end of it I was going to ask him whether they had the ability to make him love me more and if we could ever do away with the classics. I feel this is the closest contribution to sexual science me and Mr B will ever make, so we tried to take it as seriously as possible (honest).

The first position we tried involved Mr B kneeling up as tall as he could and lifting my legs straight up with one either side of his head so I was basically in an upside-down position, but my head and neck still on the bed. This is a shit position for anyone that has bad balance, like me.

Determined not to be defeated, we moved the position on to the floor for some stability and took the blanket with us to avoid carpet burn. Although this was better balance-wise, we quickly discovered this was a hard position to accomplish when one partner is taller than the other. We copied the picture and all, but in doing so my pussy was up past his tummy and his hard-on was prodding me in the back. He lowered me down, he lowered himself down and before long we were basically back in missionary position. Mind unblown.

The next night we tried 'All Around The World', a girl-on-top position. Oh yes, I like the idea

of spinning around on his cock squealing, "WHEEEEE!" Needless to say, we got half-way before realising that manoeuvring legs and arms while keeping my pussy on his pole was not a fluid movement, no matter how much lube you use. When he asked if I was literally trying to "screw his cock off" I gave up and we finished in reverse cow-girl.

Night number three and I was feeling optimistic about this one, because it involved a yoga move. I've recently started going to yoga classes. Standing with legs hips width apart, I bent over and placed my hands on the floor. It's called the 'Downward Dog' in case you were wondering. Mr B loved the look of this position, my pussy all up in the air, ready for the taking. He plunged in. A promising start and he got a good grab of my hips.

I screamed for him to fuck me harder. Being taken from behind is my preferred position. He obliged and thrust hard and deep. "Oh yeah!

Yeah! Harder, fuck yeah... OW, fuck!" My head hit the floor. Embarrassing, but I'm fine, re-position, carry on, I'm close. "Ooh, ohh, yeah, OW!" Ah, for fuck's sake my

fucking head! It was going so well! Conclusion: a good position, but only if you want it gently and let's be honest, being taken from behind is all about a good, hard, fucking. We finished doggy-style.

So, at the end of our testing, how did Mr B feel about it all? Did he appreciate my eagerness to sexperiment so we might have a happier sex life? "No, half the time you looked ridiculous or uncomfortable and the other half of the time I was worried about hurting you." He wasn't wrong, none of them made us cum. Our findings reveal that although trying new positions is fun, sticking to what you know is way more satisfying.

Flower-arranging classes had been sexed-up

My date Anthony took me to the flicks to see *Only God Forgives*. I'm a bit squeamish so it wasn't my choice of date movie, but he was so up for seeing it I went along with it.

I lasted about half an hour before I said I'd have to leave. I told Ant to hang around and

probably cope with anything he thought up.

"Tell you what," he said. "Pretend we've just met. We don't even know each other's names and all we want is a fuck."

I actually liked what I was hearing. I already thought he was a great shag, but

ZOE, HEREFORD

So much for

making things up to him – I'd had all the fun so far. But he wasn't finished yet. My knickers were flimsy enough that he could rip them off with one yank.

He grabbed me around the arse and braced me against the wall, lifting me slightly so I could slither down his body and onto his cock. Then he started banging into me. Even though he was jiggling me about on his shaft, it pretty much stayed deep inside me.

I GROUND MY PUSSY AGAINST HIS FINGERS

what he wanted.

I started snogging him hard, and he pushed me up against the wall, one hand squeezing one of my tits really hard through my jumper, the other one snaking up my skirt to cup my pussy through my knickers. I felt myself begin

I'm not heavy but he could probably only hold me for so long. He put his jacket on the floor and asked me to kneel on it, then buttons flew everywhere as he ripped my blouse open. He yanked my bra down – it didn't tear but my tits fell out of it. Then he

enjoy the rest of the film but he insisted on leaving too.

I felt so daft and guilty that I was desperate to make it up to him. So the first alleyway I spotted, I dragged him down. "Right – anything you want, I'll do it," I told him. He said not to be silly, that I didn't have to do a thing, but when I talked him around to the idea he seemed to like it. I got a bit nervous when he looked like he was giving it some serious thought, but I knew I could

sometimes he'd be a bit too apologetic or cautious. Once, he spunked in my face after I gave him a blow job, and acted like he'd done something really awful, even though it turned me on.

Now, though, it was like I was fucking a different guy. He was probably a bit hyped up from what he'd seen of the film, and while he wasn't rough or nasty he seemed less worried about going for

to juice, and just in case he didn't yet feel it, I ground myself against his fingers. He got the hint, slipping his fingers inside my knickers and sinking three of them into my hole. His thumb was soon rubbing away at my clit, and within minutes I was cumming, soaking his palm.

had me playing with them as he finished himself off by hand. I was dying for him to slap his prick in my cleavage, but it was even more of a thrill to see him wanking his own cock in my face, and even more so when he started spunking on my boobs!

please and tease her.

When we did, in a hotel, Caz was waxed, wore stockings, a tiny thong and her favourite basque.

We both took a deep breath and a large gulp of wine. Then there was a knock at the door.

Caz's nerves were soon eased. A tall, well dressed, good-looking guy, Chris, introduced himself with a bottle of wine and a lingering kiss on the cheek.

Caz turned to me, smiled and mouthed the words "Oh my God, thank you."

We sat on the bed and chatted while having a glass of wine, none of us knowing how to start proceedings.

Then to my surprise (and I imagine Chris's), Caz leant forward and slowly rubbed her hand up Chris's thigh. Instantly I could see a large bulge in his trousers. He moved towards Caz and gently started to kiss her lips. Caz stood up and seductively took off her loose-fitting dress.

His jaw dropped. "Wow,

her stomach and her aching pussy.

She frantically grappled with his belt and eased down his trousers. His huge cock sprung free and bounced up right in front of her face.

"Mmmm", Caz purred as she took it in her hands and

Chris was sucking at her pussy again, only this time he had pulled her thong off and was expertly licking Caz's swollen creamy lips.

She had her eyes closed and was whining and moaning while I sucked her stiff nipples. Her groans grew louder and she finally gasped: "Oh God, fuck me! Please, fuck me. I want to feel your cock inside me." Chris didn't need telling twice.

He briefly knelt over her as she held

his solid cock and sexily teased the tip along her glistening slit.

He bent down and kissed Caz's passionately as his helmet opened her tingling cunt. I felt her body shake as

MONSTERS OF

you look so sexy!"

"Thank you, I feel so horny," Caz said.

Now I stood behind her with my hands running up and down her basque, softly kissing her neck.

Chris was kissing her all over and squeezing her beautiful bum. She groaned loudly as he kissed down

he slowly entered her. She was now gripping my arm and shouting: "Oh fuck yes, that's so good!"

tried to take the first few inches in her mouth. I was frantically clicking away with the camera as my gorgeous girlfriend licked and sucked as much of his monster dick as she could.

After a few minutes Chris sat on the bed and pulled Caz down with him. He was totally naked as Caz lay next to him. I undressed and joined them.

Caz was the centre of our attention. We slowly licked, kissed and stroked every part of her while she squeezed and wanked our cocks.

Chris gently ground against her, pumping slowly in and out, letting her feel every inch push into her throbbing cunt.

In only two minutes Caz's was clawing his arse and bucking uncontrollably.

"Oh God, like that, don't stop, you're making me cum," she said as Chris ploughed his full length deeply into her.

She screamed as her first mind-blowing orgasm of the night hit. Now Chris was pumping harder and

over her tits, stomach and bare pussy before collapsing next to her.

I couldn't wait any longer – as Chris caught his breath, I rolled Caz on to her tummy and eased my rock hard cock into her still-tingling pussy, shooting my load deep inside her.

I woke early to the sight of Caz bouncing up and down on Chris. When he'd done, I noticed Chris slip something into Caz's hand.

Later I asked her what

REAL WIFE SEX

Belle's story continued from page 19

I just wanted to grab hold of it, wank it and then stuff it in her wet cunt, and as I thought about it and just touched the tip of the dildo to my clit, I had like a mini-orgasm.

But I just let them do it their way, sucking in a breath as I watched his prick slip inside. He was filling her right up – the rim of her cunt was all tight and shiny. But she was so wet that taking him was easy. I was fascinated watching her

lips cling to the sides of his stiff cock as he pumped in and out of my pal.

I slid the dildo in myself, and only took a few strokes to cum, so full-on this time that Jack stopped mid-thrust so he and Nadia could watch me. Then my pussy kept on throbbing round the big rubber cock inside it as they started humping again.

Nadia's nipples were like little ripe berries, and my mouth watered as Jack sucked on one. Then, when he switched over to the other one, I couldn't resist any longer, tasting his hot wet mouth on it as I tongued the little bud.

I was on my hands and knees, with the toy still jammed in my cunt, and Jack reached behind me, fondling my cheeks, then grabbed hold of it, pumping it in and out as he fucked my friend.

His other hand was frigging Nadia's clit and hitting the right spot, going by the way her body spasmed on the bed. Then I think it all caught up with him. Burying the dildo inside me, he fucked into her hard and fast, arse tightening rock hard as he lost his load.

He pulled out, dripping wet and I helped myself to a suck, even though he

was so sensitive he almost hit the roof. Nadia was all splayed out and floppy, but I knew she'd soon come round when I started licking her.

This was my first lezzie fuck in a long time, so I felt a bit nervous, lapping at the sides of her snatch first. But she'd put up with enough teasing from Jack, and grabbed the back of my hair, pulling my mouth onto her soaking hole. I dipped my tongue, drinking down her juices and Jack's cum, and used a fingertip to tease her arsehole.

She told me to finger her deeper, moaning how she loved it in the arse. "Now you're telling me!" groaned Jack. He wasn't capable of fucking either of us anyhow right then, but he pulled the dildo from my cunt, used my juices and spit to lube me up, then slipped it up in my arse.

As he pumped it and

My passages were flooded with her hot sweet cream

fingered my clit – he knows what I like! – I was slurping away at Nadia's cunt. She was cumming like mad, humping my face, and finally pulled it hard up against her till the power of her orgasm unleashed itself into my mouth and nose. I gasped as my passages were flooded with her hot sweet cream. So sexy!

Jack's cock got plenty of honey from our little honey trap, but one dick can only do so much for two girls. Good thing we had our tongues and fingers and Nadia's toys to play with too! If Jack's good, I've promised him we'll go back! Belle, Preston. 🍷

CANDY

CANDY

We won't shilly-chalet around with corking Candy – she's far too demanding for that. She's after Alpine all-cummers and she wants them now! "Stick two cocks in either hand right now, like I'm ski-ing! Then I need two other guys to create an avalanche of spunk down my tit-valley! You'll have to dig me out later! After that I'll need a hot toddy – how about I lick your wife's hot pussy out?"

Sex factor

My bird Stella and I can get a bit competitive, which certainly keeps things ticking over in the bedroom – and out of it!

The other week, we were at the pictures. I had my jacket on my lap and, under it, Stella was wanking me off – pretty routine for us, if I'm totally honest. I spunked my load all over her hand and she just sat there, licking it off like it was the tastiest thing in the world. We carried on like that – a couple of times she stuck two fingers up her pussy, and gave them to me to lick clean.

Then she put her head in my lap and started sucking me off, right there in the back row. I shot off in her mouth and, dirty tart that she is, she moved up to give me a big snog so I

could taste myself on her tongue.

The film finished late, which meant a long journey home on the bus. The fucking would have to wait till we got back to our flat. When the bus came we went upstairs and sat in the seats right above the driver, and Stella asked me to play with her cunt.

I went one better – I'm a skinny bastard so there was just about enough room for me

kneel in front of the seat, with my face in Stella's crotch. Even she couldn't quite believe that I was being this blatant but I figured that, unless someone sat right next to us, no one would have a clue what we were doing.

I pulled her knickers to one side – there wasn't that much of them to start with, just one soaking-wet string – and started slurping away, sucking so hard on her clit that

SHE LICKED MY LOAD OFF HER HAND

Bigger the Batter

I've always liked big-titted women, and my girlfriend Dee has a pair right out of my dreams. She's of quite a small build so where her natural D-cups came from I don't know.

She loves it when we fuck with her sitting on my lap,

my prick stuck up her down to the hilt and my hands all over her boobs. The harder I squeeze them, the harder she cums – they're so sensitive.

For her birthday I gave her a sexy red corset. It shoved her tits right up and out, and was cut to give her a cleavage even with her boobs bared. She'd also put a bit of lipstick on her nipples, making them all red and stiff. I just stood there, my jaw on the floor, as she posed for me on the bed, fondling her own boobs. Then she lay back, kneading them together, before dipping a finger in her pussy and running it between them, leaving a moist trail.

I virtually flung myself on top of her, sitting over her chest with my hard cock slapped between her boobs. I had to reach back and scoop the juices out of her open pussy to lube up her cleavage, but when she was wet enough to fuck it was like I was in tit heaven.

Obviously, her breasts were the main attraction, but the corset added even more – I loved the feel of the smooth satin against my balls, which trailed over it as I screwed in and out of Dee's tits.

I'm pretty well-endowed – my dick doesn't even get lost between tits the size of Dee's. As I thrust in, my helmet would pop

I COULDN'T KEEP MY HANDS OFF HER TITS

out between her mounds, all red and swollen, and she'd take a lick at it, sometimes even slowing me down so

she could enjoy a suck. I just couldn't keep my hands off her tits – by now I'd taken over kneading them around

DEE, WORCS

she had to muffle a moan. Whenever the bus stopped and I heard people come up the stairs I nearly panicked, but Stella just squeezed her

and threw her long coat over me, covering me down to the floor – some bloke had sat in the pair of seats across the aisle from ours. Then I felt her body relax and she whispered, "It's all right, he's pissed as a fart. Just keep licking."

Soon the thought of getting caught was more of a turn-on, and as I lapped away at Stella's cunt I reached down and started wanking myself. She was well gone too, reaching down to rub her clit as I buried my tongue down to the root inside her, and when she came I felt a little spurt of juices over my tongue.

I came into my own hand and wiped it over Stella's slit, then, I got up and sat

thighs against the sides of my head, holding me there.

I was just hitting my rhythm when she whispered "Shit!"

next to her, calm as you like – the bloke sitting near us had dozed off.

Leo, Leeds.

Swinging lessons

We met Roy and Sue on holiday and quickly worked out they were swingers. We've always been fascinated by that world so

shaven twat. She felt different to Amy – her body wasn't as soft and cuddly as Amy, and her tits weren't as big, but her cunt felt good clamped around my cock! I began to

fuck her, thrusting in and out. It must

have been like a scene in a porn movie – the two women lying on the bed, with us two guys fucking them!

We changed position, with me

lying down

and Sue straddling me. It was surreal to see her bouncing up and down on my cock. I could hear Amy moaning beside me. Roy was fucking her hard and fast. Her tits

Amy and I took the plunge one Saturday evening back at their villa.

It felt strange to have Sue handling my cock with my wife watching! Roy was getting out of his own clothes

HIS WIFE'S CUNT CLAMPED AROUND MY COCK

while Amy stepped out of her dress – she had nothing on underneath.

I watched while Roy gently caressed my wife's body and tasted her wet pussy. My cock was so hard seeing this that it ached! Sue was helping with that though, as she

were wobbling with the power of his thrusts. She suddenly said that she was cumming, and I watched as she writhed on Roy's cock through her climax.

It was such a horny sight for me I couldn't hold back and shot my wad inside Sue.

expertly gave me head and gently ticked my balls. Roy sank his dick into Amy's cunt – I nearly shot my bolt there and then! In all our years of marriage I'd never imagined how horny it would be to see another man fuck my wife!

His wife was waiting to feel my cock in her, so I obliged by feeding it into her neatly

Sue was frigging her clit with my spent cock still inside her, still grinding against my body. Roy came pretty quickly after I did, and Sue climaxed last – and loudest! After we lay there for a bit, spent, we went back to our own villa where I fucked Amy's just-fucked-by-Roy cunt!

my length, so she just trailed her fingers over her nipples, gently scratching at them with her long red nails.

I tried to hold back, to string things out as long as I could, but there was no way I'd last that long – not with what I was seeing and feeling. Obviously, though, I had one last treat. I felt my balls bunch up against the red satin, and with my cock head looking like it might

burst I fired a thick, warm load all over Dee's big

creamy tits. Stray drops splashed over her chin and mouth and she licked her lips, scooping what she could reach with a finger. Then she had one last play with her boobs, working my spunk into her nipples, then shoving her globes together so sticky strings formed between them as she let them part again.

Now she's dropping hints that she wants another corset for Christmas, in black leather. It will be worth every penny!

Robbie, Worcester.
